

Entry Procedure

Overview

This chapter outlines the entry options of the platform, including Youth Swimming, Club Swimming, Masters Swimming. It is designed to provide users with details of how to enter competitions based on user type.

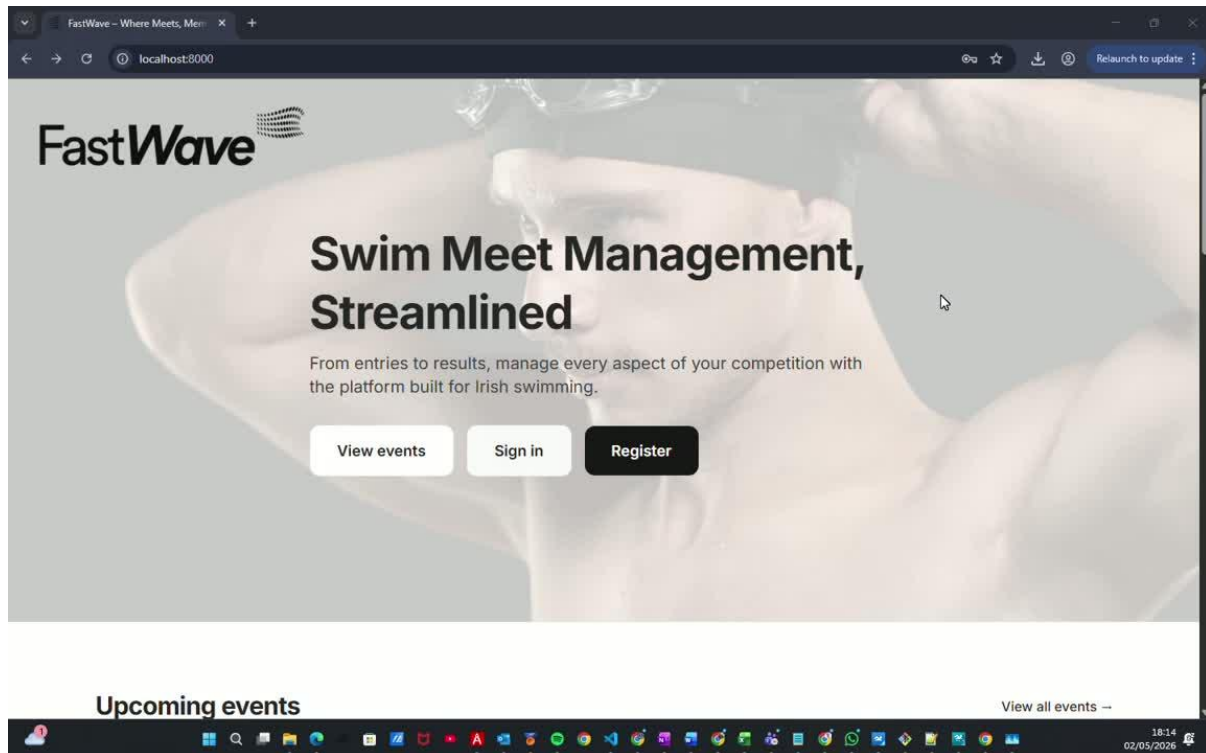

Privacy Notice

This system processes limited personal data, including names, email addresses, and payment-related information, strictly for the purpose of managing entries and financial transactions. All data is handled securely and in accordance with applicable data protection legislation.

Access to financial and personal data is restricted based on user roles. No personal data is shared with third parties except where necessary to facilitate payment processing (e.g. via Stripe).

1.0 How to Register and Enter Events as a Masters Swimmer on Fastwave

1.1 Go to the following URL and start registration at www.fastwave.ie

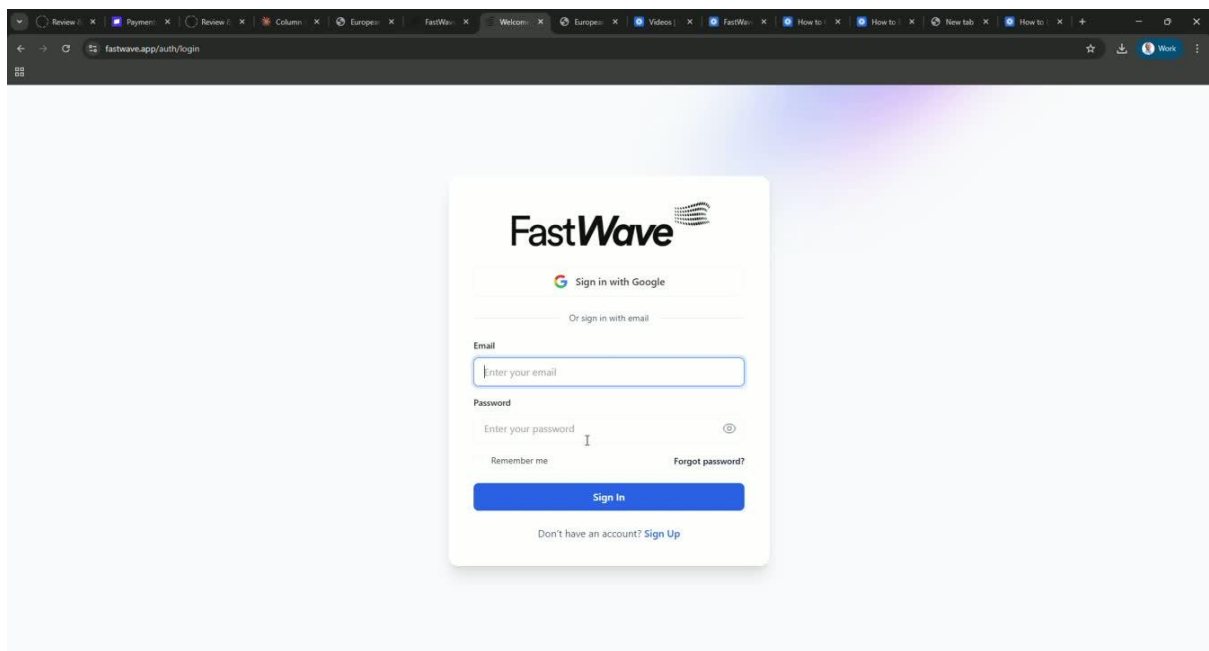

- Choose Sign in if you already have an account or Sign up / Register if you are new.
- For new users, click Register to begin the registration process.

1.2 Create a Masters Swimmer account

The screenshot shows a web browser window with the URL `fastwave.app/auth/register`. The page is titled "Join FastWave" and includes the instruction: "Create your account to manage club / school entries or self-enter Masters competitions". Under the heading "I am registering as a", there are two options: "Coordinator" (which is selected and highlighted with a blue border) and "Masters Swimmer". Below this, the "Your Information" section contains several input fields: "Full Name" (with the example text "John Smith"), "Email Address" (with the example text "john@example.com"), "Phone Number" (with the example text "+353 87 123 4567"), "Password" (with a note "Minimum 8 characters" and a toggle icon), and "Confirm Password" (with a note "Re-enter your password" and a toggle icon).

- On the registration page, select I am registering as a Master Swimmer.
- Enter your details,
 - Full Name
 - Email address (used to send entry confirmations)
 - Password
- Agree to the Terms and Conditions.
- Click Create Account to finish account setup.

1.3. Log in and complete your Masters swimmer profile [1:07](#)

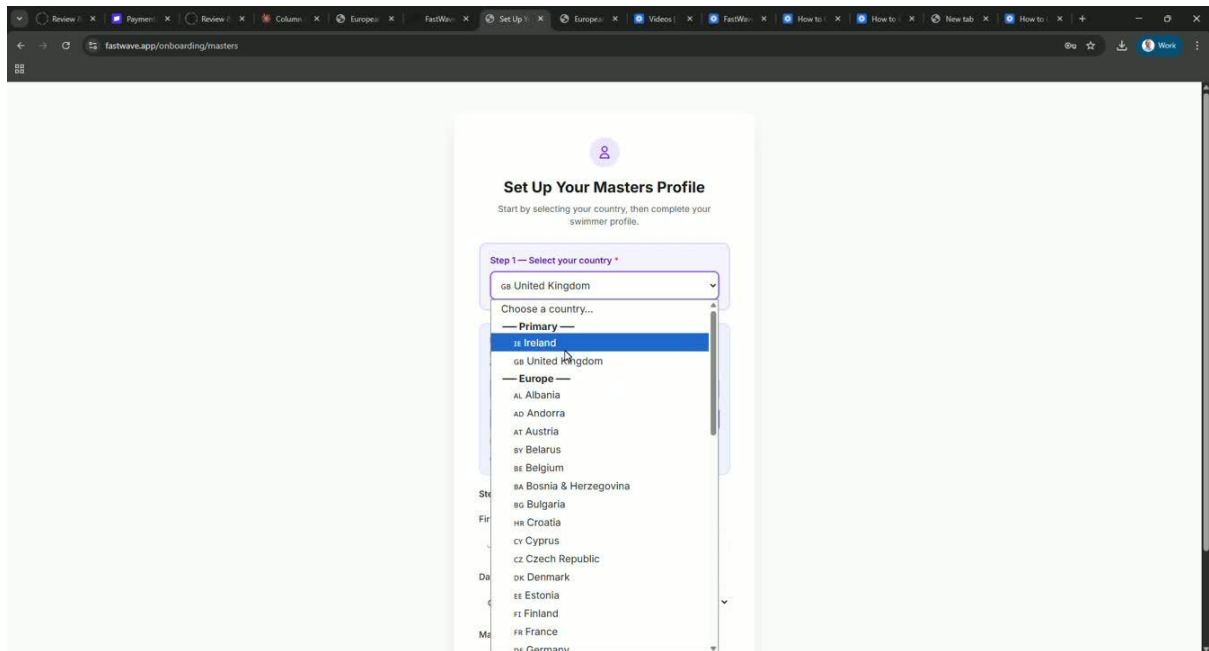

- After creating your account, log in with your new credentials.
- If you selected, I am registering as a Masters Swimmer, You will be prompted to set up your Masters swimmer profile.
- **If you selected I am registering as a coordinator, once you successfully login in, you will be taken to the coordinators dashboard.**

Note: Master Swimmer registration is used for a Masters swimmer who is entering themselves into the competition.

Set up the Masters profile

- After Master Swimmer account creation, On first login, FastWave will prompt you to set up a **Masters profile**.
- Select your **country of origin**.
- Follow the country-specific setup process:
 - **Ireland:** enter your Swim Ireland Registration Membership number, and date of birth.
 - **UK, Scotland and Wales:** the system searches **swimmingresults.org** for your details.
 - **Other countries:** This will be a manual set-up
- If the system finds your details, continue to complete your profile.

Set Up Your Masters Profile

Start by selecting your country, then complete your swimmer profile.

1. Select Ireland

Step 1 — Select your country *

IE Ireland

Find your Swim Ireland record

Enter your registration number and Swim Ireland email to verify your membership.

Membership / registration number

claremorris@fastwave.ie

Use the email you registered with Swim Ireland or JustGo.

Find

Both fields are required to verify your identity.

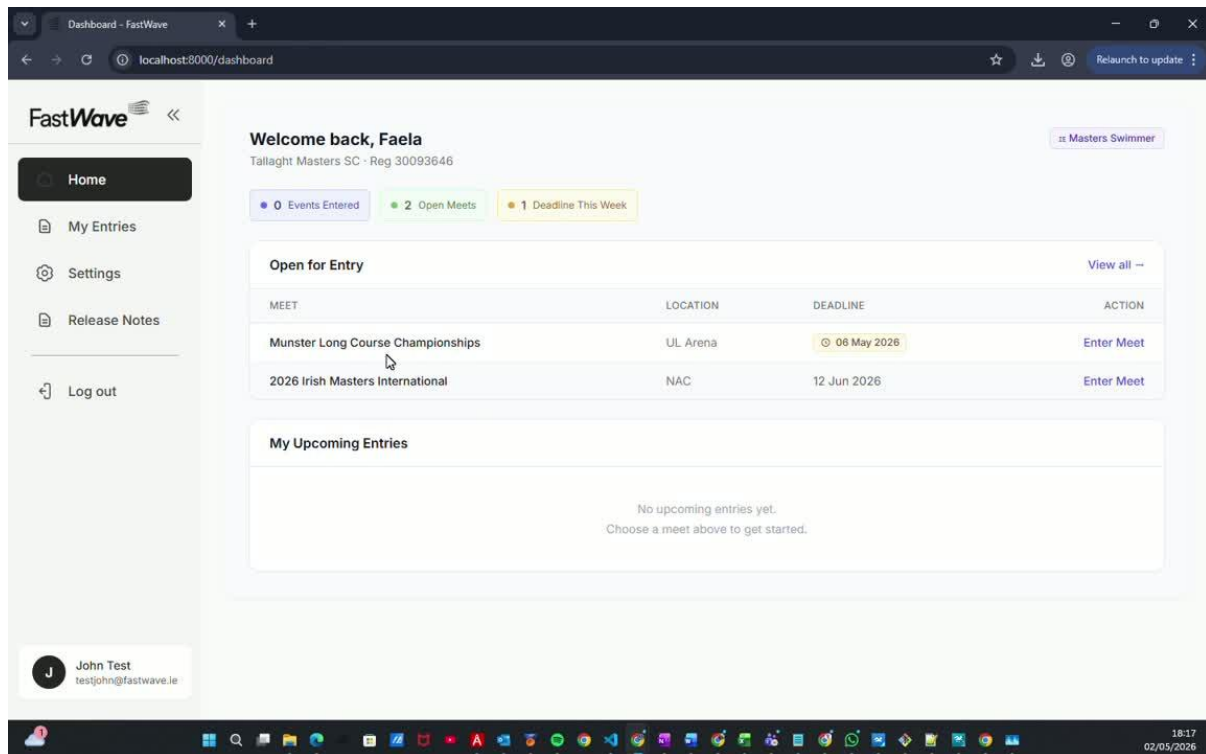

☐ I don't have my Swim Ireland registration number — let me enter my details manually instead.

2. Check this to indicate you do not have a Swim Ireland Number

FastWave

User Manual

Entry Procedure
